

# Matteo Bianchi

Developer Relations | Developer Advocate

I aim to be a pro-active DevRel. I was born hands-on engineer and I love community above all. In my spare time I **mentor** people about their IT careers. I help startups by testing their products and coaching their teams to deliver faster and better.

Check out my [experience page](#) for a full overview.

## Advisor | Mentor | Coach, Freelance 2021 - Present

- Offering **advisory, mentoring & coaching**
- Advising startups (Seed to Series A, up to 6M in funding)
- **Content creation** about the tech landscape
