

Matteo Bianchi

Engineering Manager | Technical Co-Founder | CTO

I'm an hands-on Engineering Manager who still loves coding and building products above all. In my spare time I **mentor** people about their IT careers. I help startups by testing their products and coaching their teams to deliver faster and better.

Check out my **experience page** for a full overview.

Advisor | Coach, Freelance 2021 - Present

- Offering **Engineering services**
- Advising startups (Seed to Series A, up to 6M in funding)
